VOTE FOR INCORPORATION

The Campbell Press
A GROWING NEWSPAPER A GROWING COMMUNITY

Vol. 52, Number 9. CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA Thursday, January 16, 1947

'round town

with Betty Allen...

There has been a great deal of discussion pro and con concerning incorporation. To my mind it boils down to four specific reasons why we should incorporate. These reasons are:

1. We do not now receive full benefits for our tax money and incorporation is the only way in which we can receive direct benefits for the money paid out.

2. Incorporation is the only method by which we can receive necessary and badly needed improvements such as police protection, better lighting and more adequate fire protection which would result in lower fire insurance rates.

3. Campbell should receive its fair share of industries now locating in the Valley which would offer year around employment to the rapidly growing community. We have the facilities for these industries but are denied them because of the County Board of Supervisors' political reasons.

4. Incorporation is necessary if a community is to have that certain intangible quality which results in city pride and planned community growth.

Since all of us, whether for or against incorporation, should have no desire to waste the taxpayers' money by an illegal election, it behooves us to be sure that we do not vote unless we live within the incorporated area. Anyone who is a registered voter, whether he owns property or not, and who lives within the proposed area is eligible to vote. The election is next Thursday and the polls will be open in the Odd Fellows hall from seven a.m. to seven p.m. It is hoped that the County Registrar's office will provide a large map for the polling center to clarify the matter of residence. Many voters living outside the area received sample ballots through the mail but this does not mean that they are entitled to vote if they reside **outside** the boundaries.

The Chamber of Commerce, challenged by the imminence of Old Settlers' Day, received a shot in the arm last night in the form of election of new officers and the decision to sponsor the annual celebration. Ira Grim is the new president; Mrs. Viola Conley, the secretary; and Miss Rachel Spradling, tre treasurer. New board members are Walter Silberbauer, Alfred Conley, Gus Standish, Leslie Wheeler and William Henley.

A special noon meeting at Wheelers' Creamery has been calld for next Wednesday to discuss plans for Old Settlers' Day.

At the close of the meeting the Chamber went on record as urging all residents to vote "yes" on next Thursday's incorporation election.

MERCHANT SEAMAN HOME

Robert Fairchild, son of Mr. and Mrs. Leslie Fairchild, has received his discharge from the Merchant Marine and will resume his education here.

The Campbell Taxpayers' Association is offering to supply transportation to and from the voting center in next Thursday's election. Since all the precincts have been concentrated in one voting place, housewives are being urged to vote during the day and all those who can leave their work, to do so also, leaving the early and the late hours for those who are unable to vote at any other time.

A telephone call to any of the following numbers will bring a car to take registered voters to the polls: 3335, 3779, 3466 or 3443.

County To Vote On Fire District

Although those living within the Campbell Fire District will not be affected, all residents living outside established fire districts will vote Tuesday, Jan. 21, on a County wide fire district. The Campbell Fire District, in common with other fire districts in the County, will continue to function as usual within its boundaries.

With fire losses in unincorporated areas of valley portions of Santa Clara County approaching the $1,000,000-a-year mark, steps are being taken to provide better fire protection.

In the past the State Division of Forestry has responded to fires on the valley floor, even though its legal responsibility is only to protect the forest areas, watershed and grazing lands. It is equipped to fight this type of blaze, but not to cope with structural fires. Its stations are located with reference to protecting grass and forest lands, and not suburban communities or farm houses.

After previous warnings to the County Board of Supervisors that some other arrangements must be made for fire protection, officials of the Forestry Division made it definite last summer that this would be the last fiscal year they would give a contract with the County to take care of fires not in their legal sphere of responsibility.

This would leave thousands of homes and much other valuable property unprotected unles some other form of fire-fighting service were set up. A comprehensive district, with an integrated system of protection, was deemed by the Supervisors to be a more efficient and economical method than for a number of small, independent new districts to be created.

At 25 precincts throughout the County, residents will vote o n the question: "Shall a Central Fire Protection District be established?"

All of the incorporated towns and cities, which have their own fire departments, and the eight existing fire districts are excluded from the proposed Central District. Should any of the existing districts later wish to annex to the Central District, this could legally be done.

The fire districts established now are Los Altos, Fremont, Saratoga, Burbank, Cottage Grove, Campbell, Gilroy and Morgan Hill, the latter formed at an election held last Dec. 10.

Murdock Interest In Dresser Drawer Sold

Mr. and Mrs. Jack Murdock have sold their half interest in the Dresser Drawer, children's specialty shop located on Winchester Road, to Mr. and Mrs. Harold Relph who are now co-owners with Mr. and Mrs. LBen Howard.

Mr. Relph, who is a native of Santa Clara Valley, is experienced in merchandising for he was at one time connected with Holman's in Pacific Grove and later with Hink's in Palo Alto. At present he is an accountant for American Home Foods Co.

Both Mr. and Mrs. Relph are interested in Masonic work and Mrs. Relph is a past matron of the Santa Clara order of Eastern Star. Her husband is a member of both the Masonic Lodge and Eastern Star.

They and their two boys reside on Prospect Road, a short distance from Campbell.

Straws in the Wind

"At a recent meeting of The Campbell Chamber of Commerce it was unanimously agreed to go on record as approving Incorporation. The advantages are too numerous to mention here, but it is quite evident that we must incorporate if Campbell is to progress.

"I am personally in favor of incorporation, and advise every resident to vote "YES" at the coming election."

Walter R. Silberbauer.

. • .

"As a Building Contractor I can see the advantages of incorporation. Many new homes are being built, and hundreds of others are contemplated. For each new building a "permit" must be obtained from the County Autorities, costing approximately $30 for each building. We secure nothing for this payment. Would it not be better to pay this to The City of Campbell where the money could be spent for Community benefits?"

John McBain.

. • .

"I have attended many meetings of The Board of Supervisors of Santa Clara County when applications have been made for improvements of Campbell. Although these requests have represented the wishes of Campbell residents, they have been refused. It is time this was remedied and Campbell people should decide their own fate rather than being dictated to by Supervisors who know little and care less about the District which they seldom visit. I certainly suggest to all voters that they vote "YES" for incorporation."

Ray S. Gilpatrick.

. • .

"The dirty unsafe condition of our streets and the problem of parking in the business district can only be remedied by local government. These are some of the advantages of incorporation. I certainly consider incorporation to be of great benefit to Campbell."

E. D. Raker.

. • .

"The recent wave of burglaries in Campbell emphasises the necessity of incorporation. How is it possible to secure adequate police protection from a distance of eight miles in an emergency? It has been proven time after time that the County cannot possibly provide the necessary protection, and enforcement of the law. The only alternative is incorporation, which will ensure a capable administration, elected by The People for Campbell's benefit. Vote "YES" for incorporation."

Alfred M. Conley.

. • .

"I am not a merchant, neither have I any personal axes to grind. I am simply one of the people—one who has studisd incorporation for some years from every point of view. After considering both sides of the question I state most emphatically that I consider incorporation not only beneficial, but absolutely necessary if Campbell is to progress. Surely the reliable local residents who have been nominated for the city government would be preferable to the politicians who at present sit in their comfortable chairs miles away and decide our fate? I certainly advise all my friends to vote for incorporation.'

Geo. E. Arlidge.

Rocky Mountain National Park in Colorado was created in 1915.

* * *

It is estimated that the baking industry in 1945 had annual sales in excess of two billion dollars.

Election Returns

To bring you the news of next Thursday's incorporation election the Campbell Press will be published on Friday next week.

Candidate States Election Views

"The money our citizens contribute through taxation should be reflected in much neded civic improvements. The citizens who pay these taxes should have a voice in their expenditure," says William M. Wolff, candidate for the city council in next week's incorporation election. "We need many improvements—street lighting, street repair and protection by officers who have police power."

"We should encourage sound, clean industrialization for local employment will do much to insure the prosperity of the territory in which we live. We should cultivate a civic mindedness.

"Let us take pride in our community. Let us take it over and run it ourselves; let us incorporate and do the things WE want done, as we can afford them. Let's vote to make it the City of Campbell with community interest in an interesting community."

Wolff, who is a native of Massachuetts, has been a resident taxpayer of Campbell since May of 1943. He is a retired security and investment broker.

Other candidates for the City Council are Joseph Gomes, Earl Buck, Ray Fish and William Harrison. Councilmen receive no remuneration and their term of office would expire, according to the District Attorney's office, in April of 1948.

Only paid candidates to be elected under the laws governing a sixth class city are City Clerk and City Treasurer, part-time. The only name to appear on the ballot for City Clerk is that of A. E. Brydon. Contesting the position of Treasurer will be Mrs. Mae Greaves and Mrs. Claudine Hancock.

Death Takes Lon Pannell

Final rites were conducted today for Lawrence E. Pannell, who died Tuesday after a long illness. Better known as "Lon," he was the friend of everyone and it was a well-known fact that he was always eager to help anyone in any way he could and that nothing was "too much trouble" for him.

He served as custodian for both the Methodist and Congregational Churches as well as for the library, and the town benefitted greatly from the pride he took in his work.

Mr. Pannell was born in Belleville, Ill., in 1876 and came to California in 1893. During the 1906 earthquake he was living in San Francisco but later came to Campbell where he and his two surviving sisters, the Misses Maude and Daisy Pannell, made their home.

Also surviving him is a brother, Fred, who makes his home in Roseville, Calif.

The Rev. Robert Carlson of the Congregational Church was in charge of the services held at the Rutherfotrd Funeral home at 2 p.m.

Queries Answered Prove Merits Of Incorporation

By Martin Allen

During the past weeks we have heard many questions asked about incorporation. Here we discuss them.

1. "My taxes will be raised to support big salaries of city councilmen and all city officers."

Answer—In a city of the sixth class, city councilmen are not paid a salary. We would not need a city assessor or a city superintendent of schools. Those functions would be handled by the county. Neither would there be a mayor receiving a big salary. The chairman of the city council would be termed the mayor and would be serving on a voluntary basis the same as the rest of the councilmen.

- - 0 - -

2. "The city would have to buy a grader and complete paving equipment and maintain a paving crew to pave and improve all the streets."

Answer—No city goes into the paving business. It contracts that work out to private paving companies.

- - 0 - -

3. "As the city builds up with new subdivisions the taxpayers would have to pay for all the street paving in the new areas and for curbs and sidewalks, and there would be all kinds of graft on the part of contractors."

Answer—In subdivision work, the individual property owner only pays for the sidewalk in front of his place. The street work and the curbs are paid for by the subdividing contractor. How can there be any graft when the contractor has to pay for the paving out of his own pocket and can't assess it onto the property owners?

- - 0 - -

4. "The taxpayers would have to bear the full brunt of sewer ex tensions to all new streets. We can't afford it."

Answer—Our present sewer district feeds into the San Jose sewer system and empties into the Alviso Slough. The city of San Joe has recently refused to accept any new sewer extensions for fear it would overload the sewer system. A plan is now being considered for a central sewage disposal system taking in Campbell, Los Gatos and Saratoga which would considerably lighten the financial load for the average Campbell taxpayer.

- - 0 - -

5. "As soon as the incorporation goes into effect they will widen Winchester Road from one city limit to the other and the property owners there will be taxed enormously to pay for it."

Answer—This being a county road, the county has already appropriated funds for the widening of Winchester Road from Stevens Creek Road almost to Los Gatos. All we need to do when we become incorporated is to apply to the county for our share of the funds, and it will not be levied onto our city taxes.

- - 0 - -

6. "Suppose a heavy rainstorm washes out our bridges over Los Gatos Creek? The expense of replacing those bridges will about drain the treasury dry."

Answer—For the benefit of those uninformed on the boundaries, the Hamilton Ave. bridge is not included in the incorporated area. The Campbell Ave. bridge is the only one, and the city will be responsible for only half of that because the middle of Los Gatos creek is the boundary. Also it is only a question of time before the creek will be dammed in the Los Gatos canyon and end the flood danger for all time.

- - 0 - -

7. "I have a farm in the Incoporated area and was not politically fortunate like some of my neighbors to have my land excluded. City taxes will take away my farm profit, and what benefit will I be getting from my raise in taxes?"

Answer—Land that is not subdivided and is strictly agricultural always has a low assessment, and figuring from average assessment rates and the average acreage in Campbell, about five acres, the farmer's taxes would not be raised more than $10.00 a year, and for that amount the farmer would have adequate police and fire protection which he does not have at the present time. Also he would pay reduced telephone and utility and fire insurance rates.

- - 0 - -

8. "When the city extends fire protection, think of the enormous cost to the taxpayers to extend water mains to every nook and corner of every subdivision."

Answer—Either the Campbell Water Co. or San Jose Water Co. stands the expense of the new water mains because they stand to gain new water customers. A small charge of $5.00 a year for each hydrant is levied on the taxes to pay the expense of keeping the water pressure in each hydrant for immediate use.

- - 0 - -

9. "What is there to prevent an extravagant city council from running the city into the red and placing enormous taxes onto the people to pay for general improvements and expenses?"

Answer—State law of municipalities sets the tax rate

(Concluded on page 7)

McKinnon Not On Quarry Committee

There seems to be a rift within the supervisoral lute! E. O. Wool, new chairman of the board of supervisors, has removed Joseph McKinnon from the county quarry committee on which he has served as chairman for the past two years.

Piqued, McKinnon requested to be removed from the park and jail farm committees which he said were "only gestures." Wool without discussion appointed Arthur Brown and C. P. Cooley in McKinnon's place.

Supervisors met with stony silence McKinnon's complaint that he thought he had done a good job and had raised revenues from sales of county rock from $11,000 to more than $40,000. Later Wool stated that, although McKinnon had raised the revenue, he had also increased expenses from $24,000 to $50,000.

Wool also added that equipment is rapidly being worn out and an expenditure of thousands of dollars will be necessary to replace it. McKinnon's retaliation to this was that, under previous management, too much gravel was being given away for political purposes and thus kept revenues down.

NEW APPLIANCE STORE CWNER RE-ELECTED

Frank Accardi, who will open his new appliance store here soon, has recently been re-elected president of the Gas Appliance Dealers of Santa Clara County.

Strong Bros. Upset Jones Service

In the feature game last Tuesday night in the Campbell Basketball League, Strong Bros. inflicted the first defeat upon Jones Service, 32-28. Jones Service had won three straight until they met up with Strong Bros. who outplayed the favorites. Bill Harrison led the victors with 9 points while Andy Livocich won high honors for the losers with 15 points.

Field's Store defeated Nelson Sports Shop in the second game Tuesday. Eugene Macchi paced the winners with 13 digits and Bud Greenville and Joe Novakovich led the losers with 9 points each.

On Thursday, January 9, Jones Service defeated Fields' Store 43-28 with Ivan Labrovick scoring 19 points. In the second game of the evening the American Legion outscored the Nelson Sport Shop 41-34. Mitch Labrovick won high honors in this game with 15 digits.

The team standings to Jan. 14:

	Won	Lost
Jones Service	3	1
Strong Bros.	2	2
Field's Store	2	2
American Legion	2	2
Nelson's Sport Shop	1	3

Campbell Court Notes

By JUDGE BLAINE

Income for Campbell Justice Court in 1946 divided into civil fees, $101.50; criminal fines, $300; motor vehicle fines, $1,-078.50. Total was thus $1480, which was a rather good collection.

Figures for 1945 were also "good", with a total of $1284, or only $176 under last year. Compare 1944 and 1943, with totals of only $472 and $522 respectively.

Now for some interpretation. Since close of the war people have morally relaxed, as was expected. Hence business in law breaking, especially that due to carelessness, ha been rapidly growing. And as part of this descending social spiral, judges have less and less time for effort properly to be called sociological.

Critics of the local judge used to accuse him of "lecturing 'em and turning 'em lose". Now he lectures 'em less and fines 'em more, partly because lecturing takes more time and more out of you, as effort at teaching usually does. Thus instead of curing them he fines the same ones over and over, especially in simple "drunk in county" cases.

This growing tendency to repeat has come to the attention of our County District Attorney, who on Dec. 31 last wrote all justices of the County urging cooperation to detect repeaters who appear in different County courts. He said, "Some of these defendants 'graduate' into felony offenders."

All of our County law enforcement officials have more and more cases and hence less and less time to deal with each. For lack of time methods become less and less sociological and more and more financial.

Since this lower plane should be made as far as possible constructive, laws will probably be passed enabling judges to fine more and more contributing classes of people. Liquor dealers may be fined for selling to chronic drunks. Parents may be fined for having delinquent children. Who knows but that people will eventually be fined for lack of consideration and tact?

"Money talks", and talking money is just now taking the place of many needed lectures. A local minister recently said, "The good of today may be the evil of tomorrow." Vice versa, today's love of money, "the root of all evil," may be at least a tomorrow's better. Here's hoping.

J. C. Westenberg, superintendent of the "Whosoever-Will Rescue Mission," located on the Barbary Coast of San Francisco, gave an illustrated lecture at the Congregational Church last Tuesday. Mr. Westenberg is going throughout the state in an effort to inform people of the awful conditions that exist in the city.

Some people grumble about taxation, and insist that incorporation would be excessive in cost. They do not tell you that the Federal law prevents city taxes exceeding one per cent. But we have no idea that we shall have to pay even this amount, for with a capable government there is no reason on why even this small amount may be decreased. Under incorporation we should receive a proportion of the gasoline tax, liquor tax, franchises from utilities, police court fines, etc., all of which now go to the county, and for which we receive so little in return. This sum would pay a large proportion of the expenses of city government. It is my opinion that at this time it would be greatly to our advantage to incorporate, and take the first steps in the development of a Progressive Campbell."

NEWS OF CAMPBELL POST 596

By Forrest A. Reese

The first meeting of the Post of this new year was well attended. All the officers' stations were filled by the regular elected officers, except that of Past Commander.

Adjutant Hoelling introduced two visitors, Bernard Burett and Paul Klistoff.

Comrade Lee, the Daddy of the Sons of Legion, gave an interesting report on the activities of the Sons of Legion. It was with much disappointment that Comrade Lee reported to the Post that the Sons were unable to get the rifles from the Government, as he had expected. The Government has informed him that it will not issue rifles to Sons of Legion, who do not have at least 10 boys for the rifle team ranging in age from 14 to 18 years. Comrade Lee said he could not comply with this order. But not to be outdone, and determined to have a rifle team, he suggested that the Post purchase two .22 single shot rifles for use of the Sons. Immediately rose Comrade Knowles and stated that he had one such rifle and would give it to the Sons, which Comrade Lee accepted on behalf of his Sons of Legion with thanks. The Post will buy the other rifle requested.

Commander Carter threw the meeting open and asked for a discussion by the membership on a card party. After a lengthy discussion pro and con, he appointed the following committee to investigate and report back at the next meeting: Comrades John Smith, Brydon, Handly, Knowles, Olmetti and Fairchild.

Comrade Fairchild suggested that the Post and Unit hold a get-together dance. It was further suggested that a pot-luck supper and social be included for this same evening for the purpose of getting the members of both groups better acquainted. No definite date was set for such an event.

Commander Carter, besides taking care of the many details of the office of Commander, has also been serving as post refreshment committee, with very little assistance. He sent out an SOS to be relieved of this duty, which was answered by Comrades John Hummel and Nick Hester, who will now serve the post for the remainder of the year as refreshment committee.

Adjutant Hoelling read a letter from the Department Headquarters urging all posts that do not have a Burial Corps to organize one at once. The Post was in favor of such an organization and the commander appointed Comrade James McBride to be in charge of this organization.

Commander Carter announced that the 13th District Conference will be held in Hollister Sunday, January 19.

Next meeting is January 22.

LOOK BEFORE YOU BACK

Look back before you back up, the California State Automobile Association cautions. Many accidents are caused by drivers carelessly backing.

BALLET SET FOR MONDAY EVENING

The S. Hurok Original Ballet Russe, originally scheduled for the San Jose auditorium in February, but now coming on Monday evening, January 27, is on the Pacific Coast direct from a record-breaking season at the Metropolitan Opera House. "One saw the old Original Ballet greatness" said one critic of this greatest of all ballet companies. The English ballerina, Alicia Markova, with Anton Dolin, and the great Andre Eglevsky with his breath-taking leaps will be with the company of 150 and symphony orchestra. "Les Sylphides," "Graduation Ball," "Pas de Deux" and "Scheherezade" will make the program.

DEBATE ON RUSSIA

Promising clashing excitement, a debate on the controversial subject of Russia will be given in the San Jose auditorium on Thursday evening, January 30, H. R. Knickerbocker and Walter Duranty the two speakers. Knickerbocker, who will argue that Russia is a despotism under Stalin, desiring to rule the earth, was awarded the Pulitzer Prize in 1930 for his book, "Red Trade Menace." Duranty was stationed in Warsaw for eleven years as foreign correspondent for the New York Times, and has equally first-hand knowledge and factual experience for his opinion that all Russia wants is a peace and security.

How to teach a voice to "smile"

Speaking naturally is lesson one in becoming a telephone operator . . . and literally thousands of girls have learned it during the last year in the biggest operator training program in our history. Girls in training get a thorough grounding at regular pay . . . a basic course that lasts anywhere from three to six weeks.

On special practice boards like this a trainee is given hundreds of practice calls . . . everything from the simplest local call to a complex string of them. She learns to meet various situations . . . learns poise and skill and confidence. Even when she becomes a full-fledged "voice with a smile", she can call on a friendly supervisor for help on unusual calls, when she needs it.

In the weeks to come, girls now in training will take their places at switchboards, and as fast as additional equipment becomes available, thousands more will be trained to handle your calls. For we intend to do everything we can to bring the rapidly growing Pacific Coast an even better telephone service than ever before . . . just as soon as is humanly possible.

An ever-improving telephone service *at the least cost consistent with good wages and working conditions for our employees and a reasonable return to the thousands of people who have invested in the business.*

Social and Club Notes.. around Campbell

San Tomas Club To Hold Box Social

Planned for Friday, Jan. 24, at the San Tomas Club Room, 308 San Tomas Road, is an old-fashioned box social. It is being sponsored by the San Tomas Improvement Club and the proceeds will go to the fund being raised for a community club house.

For the benefit of the uninitiated, a box social is a form of auction. The gentlemen bid for box lunches which have been gaily decorated and are, presumably, filled with good things to eat. After purchasing, the buyer claims as his dinner partner the girl who has prepared the box. Both then share its contents.

In charge of arrangements for the affair are Mr. and Mrs. Don Lukehart. Assisting them are Mr. and Mrs. L. A. Orford, Mrs. V. L. Minehart, Miss Helen Fanning, Mr. and Mrs. D. W. Mills, Mr. and Mrs. Clifford Pray, Mr. and Mrs. R. R Trewin, Mr and Mrs Ralph Jillson and Mr. and Mrs. Lawrence Keck.

* * *

INITIATED INTO JOB'S DAUGHTERS

Among the girls recently initiated into Job's Daughters were Jean Jenson, Betty Lou Peterson and Joline Howard.

* * *

NEW GRANDPARENTS

Mr. and Mrs. Joseph C. Wright of Apricot Ave. are the proud grandparents of a baby girl, born January 11 to Mr. and Mrs. Robert D. Vance (Connie Wright) of Berkeley. Sharon Wright is the baby's aunt, and the child also has two great grandparents, Mr. and Mrs. Leo H. Young of San Jose. The paternal grandparents are Mr. and Mrs. Maurice R. Vance of Oakland.

* * *

HOME FROM SOUTHLAND

Mr. and Mrs. Eugene Bergeron report a pleasant trip in Southern California during the recent holidays. They were among the spectators at the Tournament of Roses in Pasadena and also visited Mr. Bergeron's brother in San Diego where he is a patient in the Navy hospital.

Women's Service Club To Celebrate

On Wednesday, Jan. 22, the Women's Service Club will celebrate its 18th birthday at the home of Mrs. E. R. Kennedy. Mrs. Ernestine Farley and Mrs. Kennedy were co-starters of the club which began with 24 members, most of whom had small children as their common interest. Miss Mary Rodeck, a granddaughter of Benjamin Campbell, founder of the town, served as the first president of the group.

The meeting will start promptly at 2:45 and there will be a nursery as usual in the cabin behind the Methodist Church. Mrs. Claudine Hancock and Miss Winnie Grizzle will be co-hostesses.

* * *

BOOK REVIEW SCHEDULED

The next regular meeting of the Campbell Country Woman's Club will be Monday afternon, January 20, at 2:30 p.m.

The program will consist of a group of piano solos by Miss Lorraine Wood, and Mrs. Ray Fish will review the book "The Miracle of the Bells" by Russel Janney.

The committee making plans for the afternoon are Mrs. Ray Wood, chairman, assisted by Mesdames L. E. Hendricks, E. A. Fahler, W. H. Scott, J. B. Arends and Eldon Kenison.

* * *

ENTERTAIN WITH "DUTCH DINNER"

Mr. and Mrs. Harry Rich, Mr. Jess Loomis and Mr. Howard Hopkins were joint hosts at the Winchester Road home of the former on Saturday evening when they entertained 50 members of the San Jose Light Opera Co. with a real "Dutch dinner." Decorating the dining room were Magnolia leaves combined with tall green tapers.

Singing for the guests during the evening were Miss Patricia Schommer, Miss Maurine Ferguson, Mrs. Vivian Wayland, Mrs. Cecile Salerno, Jack Brown and Howard Hopkins.

* * *

ATTENDS COURSE

Mrs. E. Little of Campbell was among the County Girl Scout Leaders who attended the recent group leadership course in Los Gatos.

Ne-Tops Council Holds Regular Meeting

The regular bi-monthly meeting of Ne-Tops Council, Degree of Pocahontas, was held Friday night, January 10, in the I.O.O.F. hall, with Sharon Parker, Pocahontas, presiding.

An Americanization committee, with Irene Hodges as chairman was appointed, and is planning a patriotic program for the month of February. Many suggestions were made by the council and all are awaiting the decision of the committee.

Tina Caccamo, Florine Cirigliano, Esther Powell, Gladys Bokur, and Ruth Franzen were appointed to supply the food for the Valentine party to be held by the Council on Friday night, February 14. The social gathering will take place immediately after a short business meeting. Arrangements for entertainment are being made by Gail Plymale, Ruth Livingston, Blanche Gilpatrick, Rita Noyer and Margaret Benton.

Installation of officers will be the topic of the evening when the Council convenes Friday night, February 24. The meeting will be open to the public and the members cordially invite anyone interested to attend. An interesting and impressive ceremony will be presented and refreshments will be served after the ritual.

Guests of the Council were Mr. and Mrs. Jim White, Mrs. Rose Gray, Mrs. Rosemary DeMotte of Zanetta Council, Mrs. Jess McGinnis of Tawonqua Council and Mr. Jess McGinnis of Kenockti Tribe.

* * *

NEW RESIDENTS

Now occupying the former Ray Fish home on Campbell Ave. are Mr. and Mrs. C. David Baxter and their three children, David, Michael and Patricia. Before purchasing the Fish home, the Baxters were residents of Winters. Mr. Baxter will engage in the real estate business in San Jose.

* * *

ENTERTAINS AT LUNCHEON

Mrs. J. J. Enfantino entertained at luncheon last week at her Parr Ave. home in honor of Mrs. Frank Spadafore of Campbell, her sister, Mrs. Jess Angelo of Santa Clara and their mother, Mrs. S. Taormino of Santa Clara.

* * *

MRS. HENLEY TAKES LEADERSHIP

Mrs. William Henley has taken the leadership of the Oco-wa-fin Girl Scout Troop which is composed at the present time of 16 girls and is sponsored by Sigmas of the Congregational Church. The group meets every Wednesday at 3:30 at Mrs. Henley's home.

Members of the troop are anxious to have any growing plants which residents may have to give away, and to raise money for their projects will wash dishes for community organizations.

Entertains At Birthday Party

Miss Betty McKay, fiancee of Mr. Ronald Wheeler, shared honors with him at his birthday party last week for which his parents, Mr. and Mrs. Leslie Wheeler were hosts at their home on First St. The young couple's engagement was announced during the Christmas holidays.

The bride-elect is the daughter of Mr. and Mrs. Leonard McKay of Los Gatos and is now attending San Jose State College.

Attending the birthday party was a large group of friends from Campbell, Los Gatos and San Jose.

* * *

MRS. BAUGH ENJOYS SOUTHERN TRIP

Mrs. Hattie Baugh reports a most enjoyable three weeks visit with her son-in-law and daughter, Mr. and Mrs. W. W. Wells, in their Los Angeles home.

* * *

ENTERTAINS AT HOME

Mr. Norman Corvello entertained a small group of friends last Friday evening in honor of Mr. Jerry Haggerty who will make his home in Campbell as soon as housing is available.

* * *

RETURN FROM OREGON TRIP

Mrs. Rex Fuller, accompanied by her son, Garry, returned to Campbell last week from a visit in Manzanita, Oregon, with Mrs. Fuller's sister, Mrs. C. E. Earls. While there they presented a program at the Eastern Star meeting at which Mrs. Earls was installed.

Before making the trip home, Mrs. Fuller spent a day in Portland visiting a sorority sister whom she had not seen since they both taught in a Nebraska conservatory.

ORACLES

In the first book of Peter, chapter 4, verse 11, we have the following language: "If any man speak, let him speak as the oracles of God; if any man minister, let him do it as of the ability which God giveth; that God in all things may be glorified through Jesus Christ; to whom be praise and dominion forever and ever. Amen." Let us study two thoughts in this verse: 1. A person should speak as the oracles of God. 2. God is glorified through Jesus Christ when we so speak. To speak as the oracles of God is to speak in harmony with them; this is evident from the very statement itself. But what are the oracles of God? From Hebrews, chapter 5, verse 12, through chapter 6, verse 3, we see that the oracles of God are the doctrine of Christ. The doctrine of Christ is of course contained in the New Testament. Therefore, to speak as the oracles of God certainly at least means to speak in harmony with what is taught in the New Testament. The result of such speaking is to glorify God through Jesus Christ. To not speak as the oracles of God will not glorify him through Jesus Christ. We therefore can see the importance of continued study of the New Testament in order to speak right so that we may glorify God through Jesus Christ.

FOOTLIGHTERS CHOOSE CAST FOR NEW PLAY

At the last meeting of the Footlighters the cast for their new play, "Springtime for Johnny," was chosen. Rehearsals are already under way for the gay comedy.

For the entertainment of members, Mrs. Ellen Lanphear, assisted by Mrs. Mary Parker, presented a one-act play, "Oh, Romeo." In the cast were Mrs. Alma Fanning, Mrs. Irene Hodges, Gregg Parker and Budd Levenberg.

Planned for February 1st is a trip to Monterey to witness a performance at the Monterey Theater of "Black Bart" in which a former Footlighter, Mrs. Lenore Weaver, has the villaneous lead.

Campbell High PTA Hears Panel Discussion

School government of Campbell Union High, a government "of the students, by the students, and for the students," its problems and functions of all departments, was amply demonstrated by a student panel discusion when the Campbell Union High School P.T.A. unit convened for the first meeting of the year on January 8.

Mrs. Alfreda Runge, second vice-president, presided over the business session. Mrs. J. Madeira, Founder's Day chairman, spoke briefly of the plans for Founder's Day meeting, urging that each member be responsible for another member's attendance that day.

Empty egg cartons are requested for the Thrift table, a ready market being assured.

Members were invited to attend the El Paradiso Council meeting, and reservations for the February 6 district meeting in Sunnyvale must be made with Mrs. R. Flagg.

Principal L. Hill, speaking on Safety Education, announced that a semester's course in safe driving is to be part of the required course for next semester's freshmen.

Courtney York, student, entertained with his bassoon, demonstrating how the instrument is put together, and explaining other features of the "clown of the orchestra." His selection, "Persian Market," was played in both low and high C.

A violin solo by Patricia Atwood, accompanied by Marian Johnson at the piano, completed the student entertainment.

Mrs. Henry Jensen opened the meeting with a prayer from the Parent-Teacher magazine.

Junior mothers were hostesses for the social hour which followed the business meeting.

Attending the recent El Paradiso Council meting were Mesdames J. W. Knowles, Raymond Flagg, Anthony Jurras, R. Allinger, Clarence Fagalde and Mrs. R. C. Page, unit representative on the council nominating committee.

TAKES OVER AGENCY

H. S. Swenson, 340 Maple Court, has taken the agency here for Servisoft Soft Water Service. Mr. Swenson, who has been a Campbll resident for many years, is enthusiastic over his new venture.

"SWEETHERT" TO BE PRESENTED

Scheduled for Jan. 25 and 26 at the Santa Clara University theater is the San Jose Light Opera Co.'s production of the operetta "Sweetheart."

Miss Patricia Schommer plays the lead and among others in the cast are Mrs. Harry Rich of Campbell and Manuel Vieira, formerly of Campbell.

RETURNS FROM BUSINESS TRIP NORTH

R. Lewis Brown returned last week from a business trip to Eugene, Ore. While there he visited his daughter and her family.

Grammar School Notes

Mrs. Davidson's fourth grade class is studying all about Santa Clara County. They are making maps which is one of their interesting activities.

They went on a field trip recently to the Santa Clara Mission and liked Father Hubbard's Boat and the museum the best.

There are fifty-six in the class. They are going to make most of their costumes for the play which they are going to have soon.

By Della Fontes; L8-2.

Kindergarten News

Mrs. Wilson's class is studying farm animals. They are studying the cows.

The children are learning housekeeping. They are also learning how to help Mother in the home. They have a playhouse in their cloak room.

They are learning many things such as how to count and how to lace and tie their shoes.

The class has learned many nursery rhymes.

They also have a health chart and are checked on these things: teeth, finger nails, clean handkerchiefs.

James Lawson; low 8-3.

Miss Merriman, vice-principal of our school, announced Friday that there are at present 1553 pupils enrolled in the school. The increase of 31 pupils since the September report was parcially due to the large number of students enrolled after the Christmas vacation. The total ranks highest in our attendance records of previous years.

The high eighth grade will graduate January 30 and the new semester will begin February 2. There are thirty-one graduates.

Thomas Osborne; 8B-2.

Miss White, primary vice-principal and remedial teacher, helps children from the fourth, fifth and sixth grades. She has a group of six at a time. Each group is kept an hour. Miss White helps a total of fifty children.

Miss White's room is located upstairs over the office. Her room is very attractive with a very nice border.

Amy Nakagawa; L-8-2.

YOUTHFULL CAMPBELL MUSICIAN TO PLAY ON RADIO

Miss Joline Howard will be the featured soloist Sunday on the radio program presented each Sunday afternoon by the Santa Clara branch of the California Music Teachers' Association. She will play four numbers including one of her own compositions.

The program is designed to present in an interesting manner promising young pupils of the teachers belonging to the Music Association. It begins at 2 p.m. over Station KSJO.

Mrs. Kathleen Bergeron is the teacher of the talented young girl who is in the eighth grade at Campbell Grammar School. She is the daughter of Mr .and Mrs. LBen Howard.

Church Holds Annual Meeting

The annual meeting of the Congregational Church was held January 8. Following the fellowship supper Mr. Stanley Smith presided at the business meeting. Reports were given by the different organizations of the church and the pastor. These reports revealled a definite growth during the past year, the membership having increased by nearly twenty percent. The youth work in the church is vigorous. It was reported that Dr. Conover of the Federal Council of Churches will visit in February and make recommendations as to future building improvements.

The following officers were elected for the coming year: Trustees, Stanley Smith, George Jeffers, Mrs. Carl Field; deacons, Frank Cutting, Fred James, Howard Smith, Klaude Block, Walter Stray; deaconesses, Mrs. Theodore Cutting, Mrs. C. E. Williams, Mrs. Elizabeth Duncan, Mrs. W. H. Scott; music committee, Mrs. Eva Grattan, Mrs. David Sanders, Miss Elsa Fetsch, Mrs. E. L. Farnham, Mrs. Oliver Jensen; Sunday School superintendent, Mrs. Alice Newcomb; treasurer, Roy Archibald; church clerk, Mrs. Emily Duncan. financial secretary, Mrs. Ray Wood; church clerk, Mrs. Emily Duncan.

STARTS NEW BUSINESS

Amos McKee, a resident of Campbell for many years, has started a hauling busines, operating from his home at 242 W. Latimer. His trucks will carry gravel, loam, slag and filled dirt.

McKee sponsers the Campbell Winter League Baseball team which is managed by Ray Strong.

UNION AVENUE Near S.J.-L.G. Road

Moreland School Notes

Well, everybody is back with their noses to the grindstone. Presumably everybody had a nice vacation.

On Dec. 19, 1946, the Moreland School had their Christmas play. That night there were many people present, and the play itself was very good. After the play Santa gave all the boys and girls candy and pop-corn balls.

The Wm. L. Cook family on Bucknall Road moved away to Newport, Wash., near Spokane. Bill Cook, an eighth grader, and Dick Cook, a fifth grader, attended Moreland School. They left Dec. 21.

The California Farmers gave the whole school ice cream the last day of school. They also gave the seventh and eighth grades a party for Christmas. The students exchanged gifts.

On Jan. 10, 1947, the PTA is giving their Fathers' night meeting.

By Donne Montmorency

Father's Night was held by the P.T.A. at the Moreland school cafeteria Friday, Jan. 10. Many patrons attended. Mrs. Baker's room won the attendance award.

The P.T.A. is buying a phonograph with a loud speaker for the school. Mr. Barrett Patton demonstrated the machine.

Mr. Tom Ryan, principal of Alum Rock Union School, was speaker of the evening. It was an excellent talk enjoyed by all. Cake and coffee were served.

The manual training class of the school will begin a new project next Thursday.

The eighth grade is working hard preparing themselves for the county civics test.

A list of 150 questions has been secured and the class is studying them every day.

Cast Of "State Of Union" Enjoys Play

(By the Editor)

An informal "post-mortem" with the cast of "State of the Union" after the performance last Thursday evening in San Jose upheld my belief that a Lindsey and Crouse play is so good that even the actors continue to think so after endless performances.

Henry O'Neill, who takes the part of the worldly politician in a suave and polished manner, said, "We're a noisy play and we like it."

When asked how often new lines in the fast-moving political drama were inserted, he said it varied. "Some times we go two months without a change and other times they'll come at the rate of two or three a week."

There was a new one the night of the performance in San Jose—the line in which the hero accuses the tycoon. "I'll bet all your nightmares are about Henry Wallace." It was a good line, too, for it drew a quick laugh from the responsive audience.

O'Neill is loaned to the production from M.G.M. and he was most sentimental about his home in Hollywood and his friends there. He likes the road for a "change" but says it will be good to get back.

Conrad Nagel, who made feminine hearts go pit-a-pat on the silent screen and who gives an excellent performance in the popular play, was, strangely enough, more youthful appearing off the stage than on it.

And guess what Irene Hervey paid her hairdresser for a special coiffure—$340!

San Francisco County was one of the original 27 counties of the State.

VOTE

January 23, 1947

Campbell now has a distinctive appeal as a Country Community. Incorporation will not automatically solve any problems.

Under the proposed incorporation our Fire District and Sanitary District will continue to operate as separate units.

Let's not make Campbell just another small town with inadequate facilities

OR

a Very High Tax Rate.

Neither condition is good for a Community.

Due to present high costs established cities are going all out on taxes and still finding it difficult to operate.

This is a bad time to take over locally the care of our streets, the installation of storm sewers, the protection of the creek bank, etc.

These items will run into thousands of dollars and are now the responsibility of the County.

There is some demand for better police protection.

Surely this can be provided in a more practical and less expensive way than through incorporation.

VOTE AGAINST Incorporation

LARRY LEWIS IN HOSPITAL

The many friends of Private Lawrence R. (Larry) Lewis Jr. will be sorry to learn that he has been hospitalized for more than a month with a severe fungus infection. He expects to be in the hospital for two or three more weeks and would enjoy hearing from his friends. His address is 19257647 AAF, Regional Station Hospital, IDPRC, Ward 15, San Antonio, Tex.

After finishing his basic Air Corps training he was the only man chosen from his Flight Squadron to go to Chanute School at Chanute Field, Ill., but was detained by his illness. Since all his mail had already been forwarded, Larry spent a most unpleasant Christmas.

Answers to Queries

(Continued from page 1)

for a city of the sixth class at $1.00 per hundred assessed valuation. If the city wants to take on a bigger rate it can only be done by a bond issue passed by a two-thirds vote. Street maintenance and improvements can be taken care of by traffic fines and liquor taxes. Also gas tax allocation and in lieu tax can be drawn on from the state for work on major streets.

- - 0 - -

10. "I think the assessment the county put on my place is unfair and too high. Although we take on city government we still have the same county gang doing the assessing."

Answer—Even on the most fair assessment you pay in lots of money to the county you never see again in local improvements. And city taxes based on the most unfair county assessment would give us more local value for our tax dollar. Also if we are incorporated the taxpayer will have a city government behind him to officially complain to the county assessor and will get better results.

- - 0 - -

11. "The county supervisors cut down our big area we intended to use for new industries to help pay our expenses. Now that we have no industrial sites the cost of maintaining city government will overload the individual home owner.'

Answer—We DO have some land suitable for industrial sites. In the meantime, we still have enough residential business and industrial assessed valuation at the present time to pay the city expenses. Many other incorporated areas have a much smaller assessed valuation.

- - 0 - -

12. "I don't think this is the time to take on such an expensive luxury as incorporation while land values are so high along with the high cost of living. Better wait awhile."

Answer—Then we will never incorporate. Would you be willing to vote yes on incorporation in 1932 when values were right down to rock bottom? Today although land values and the cost of living are up, wages and income are up, and people at least have the land on which to pay the increased taxes; whereas in the depression years many didn't even have that. Bank foreclosures and sheriff sales were the order of the day. If you want your community to progress, now is the time; not some visionary time in the future. A vote for incorporation is a vote for progress.

- - 0 - -

13. "My County taxes will remain the same and on top of that I will have a city tax."

Answer—This is not true. County taxes are nominally reduced as soon as incorporation takes place. In addition to the nominal reduction there are specific reductions for the services which the incorporaed area takes over from the county.

Question: "I'm receiving compensation for a service connected disability. This disability has become worse since I let my GI insurance lapse. Does this mean that I cannot reinstate my insurance?"

Answer: "If you are not totally disabled and if you have no impairment of health other than your service-connected disability, you can reinstate your GI insurance. If reinstatement is applied for prior to Jan. 1, 1950, all other health requirements will be waived."

Question: "My wife is also a veteran, but she does not have sufficient education time to her credit to complete the college work she wants. Can I give her part of the education time that is coming to me?"

Answer: "No. Each veteran gets his own credit, based upon length of service. This cannot be given to anyone else."

LEGAL

NOTICE OF HEARING

NOTICE IS HEREBY GIVEN that the County Planning Commission of the County of Santa Clara, State of California, did, by a resolution of said Commission adopted on the 2nd day of October, 1946, propose certain amendments to the Zoning Ordinance, Ordinance No. 120 of the County of Santa Clara, and did declare it to be its intention to consider said proposed amendments in the manner provided by law, which proposed amendments are as follows:

To amend Sectional District 10-y of the Eleventh Unit of the Zoning Plan, described as Section 9-i of Ordinance No. 120 to reclassify certain property from an R-1 zone to a C-1 zone which property is described as follows: Generally bounded by Union Avenue, Woodard Avenue and the Southern Pacific Coast Railroad Company's right of way.

NOTICE IS HEREBY FURTHER GIVEN that the Commission did set certain times and places for public hearings on said proposed amendments at which times and places any and all persons interested in said proposed amendments may appear and be heard thereon, which times and places are as follows, to wit:

At the hour of 2:30 P. M. on the 8th day of January, 1947, in the Board of Supervisors Chambers at the Court House, San Jose, California.

At the hour of 2:30 P. M. on the 5th day of February, 1947, in the Board of Supervisors Chambers at the Court House, San Jose, California.

SANTA CLARA COUNTY PLANNING COMMISSION,
NESTOR BARRETT,
Secretary.

The Campbell Press has published a list of local merchants who contributed to the expenses of the incorporation election. This proves that merchants who will have to contribute their full share of the expenses of city government realize the advantages will outweigh the disadvantages. Surely this also proves that they approve of incorporation, and do not consider the taxes will be excessive.

We want more and better stores in Campbell, and new industries to provide employment for our growing population. If we incorporate these can be secured, and the more there are to share the expenses, the less we shall have to pay individually.

Vote "YES" for incorporation.

F. Mortorano.

"Would it not be better to pay a little extra in taxes to ensure a better Campbell? Every year our hard-earned money goes into the county treasury, and we cannot say a word as to how it shall be spent. It would be very different under incorporation. We should have local people to carry out our wishes, and we could insist upon money being spent wisely. We want no politicians, but competent local men to guide our destinies."

Roy Ford.

WINTER HAZARDS

Although the holiday period with its high traffic accident hazards is past, motorists are reminded by the California State Automobile Association that winter driving conditions and short daylight hours still prevail. "Take It Easy" driing or walking, the Association urges.

Dust from the Chicago fire of 1871 was blown to the Azores.

The South American knife fish have no tail fins and can dart backward as rapidly as they swim forward.

There were 134,133 water meters in service in San Francisco at the end of the fiscal year June 30, 1945.
